

About Us

Alter Diesel has been proudly serving the diesel injection industry for over 15 years. We specialize in the production of high-quality diesel injector repair kits, using highly precise machinery to ensure accuracy and consistency in every product. Our commitment to quality is further reinforced with state-of-the-art measurement and inspection devices, guaranteeing that each kit meets the highest standards. Serving clients worldwide, Alter Diesel has become a trusted partner for businesses seeking reliable and durable solutions. We continually innovate to meet the evolving needs of the diesel market and deliver excellence with every product.
